BIBLE BOARD

Faith in Jesus Christ, and the way of life taught by Him, as recorded in the Holy Bible, is the one hope for a war-torn world.

The American Bible Society is the only agency of the American churches devoted exclusively to the world-wide translation, publication and distribution of that Book which contains the only remedy for the world's ills. This remedy is needed today more than ever because of the millions who face death on battle-fields; it declares a message of holy truth which, if believed in and its mandates heeded, will remove war from the earth.

Never before has there been such a demand for the Word of God! The demand far exceeds the supply. The world is hungry for the truth. It was Christ who said: "The truth shall make you free." The American people give millions for the relief of physical hunger. Why not give to relieve heart-hunger? The Bible can do this.

The American Bible Society is placing a Bible in each of the Camp chapels erected by the army, and as far as possible, in every newly commissioned battle ship. And notwithstanding increased cost of production, the Society has maintained its policy of sale without profit; and continues to supply the blind with embossed Scriptures, and Talking-Book records far below cost. We, therefore, urge the continuance of our loyal support to this most worthy cause.

We note with pardonable pride that our own great Church, in 1941, gave almost twice as much to the American Bible Society as the next highest contribution; and the records show that we actually gave 45% of the entire amount of the seventeen participating churches.

We urge that all our people have it in mind, and on their heart, as they make their contributions to this cause in World Services and over-seas relief.

We call attention to Bible Sunday, which is December the 13th, and urge its observance in all our churches.

J. M. ALFORD, Chairman

R. L. CLAYTON, Secretary

BOARD OF CHRISTIAN LITERATURE

We feel that the new literature being published by our Methodist Publishing House is the best that can be had. We congratulate the General Board of Education upon giving us better and better materials for our work. We urge every church in the Louisiana Conference to use our Methodist literature. It is the sense of this Board that the cause of Christ can be best served by carrying out our Methodist program in full.

We recommend that the home churches make every possible effort to supply our boys in the service with adequate Christian literature. We especially recommend the recently published devotional book, "Strength for Service to God and Country," "Challenge," and the "Upper Room."

We urge upon all of our people that they enrich their spiritual lives and keep pace with the march of the Church through the reading of The Christian Advocate and the New Orleans Christian Advocate. We note in a recent issue of the New Orleans Christian Advocate that the subscription list in the Louisiana Conference has increased from 833 in 1935 to 3,216 in 1942. We wish to urge our preachers and district superintendents to continue their earnest efforts in placing the Advocate in the homes of our people. We deeply appreciate the splendid service rendered by Dr. W. L. Duren, Editor and Manager of the New Orleans Christian Advocate. We respectfully request Bishop Smith and the cabinet to reappoint Dr. W. L. Duren as Editor and Manager. We recommend the re-election of J. W. Reily, B. H. Andrews, and A. M. Serex to membership in the Publishing Committee. The Board suggests that district Advocate representatives be appointed in each district.

W. O. LYNCH, Chairman

A. W. TOWNSEND, JR., Secretary

BOARD OF CONFERENCE CLAIMANTS

We call attention to the regrettable fact that some of the charges have not paid the required 6% assessment in full for the support of the Conference Claimants, and call upon each pastor to see that the full assessment is paid.

We recommend that a "Veterans of the Cross Day" be observed in each church at a time when it can be most effectively done.

We have received the following funds at this Conference:

DEACONESS BOARD

There are eleven full-time deaconesses in the Louisiana Conference, doing many types of services and located in five Districts.

Deaconess Mamiej Chandler continues to direct the work of the Wesley Foundation at the Teacher's College in Natchitoches, striving to interest the students in the services of the local church and to interpret the program of the Christian religion to every Methodist student. The same objectives are being carried out by Deaconess Betty Glasson at Southwestern Institute in Lafayette.

Deaconess Shiela Nuttall is working in closest co-operation with two pastors in four rural churches in the Oberlin Circuit in the Lake Charles District.

The work at Houma is unusual in that it is school work and yet is said to be one of the best pieces of rural education being done in the whole Church. This program is carried on by Deaconess Ella K. Hooper, Deaconess Lillie Hendricks and Deaconess Elizabeth Covington, with their corps of ten employed workers.

The Business Girls' Inn located in Shreveport is under the capable direction of Deaconess Mary Freeman. The home is free from debt and is full to capacity at all times. It merits the name of a "home for girls away from home." The work of church deaconess continues to be done at First Methodist Church in Shreveport by Deaconess Grace Gatewood.

The work of the Social Settlement at St. Marks in New Orleans is known to the Methodists throughout the State. Deaconess Emma Vogel, Deaconess Mary Frances Fairchild, carry on this ministry, with the assistance of other employed personnel. Deaconess Julia Lovin is now on furlough at Scarritt College.

Deaconess Vivian Unruh is with the Sagar-Brown School and Home for colored children at Baldwin. Deaconess Dorothy Strain is away on leave of absence this year.

The Board asks the continued interest and co-operation of the Conference in making these "ventures of faith" serve even more efficiently and helpful in the coming days.

GRACE GATEWOOD, Secretary

BOARD OF EDUCATION

I

We wish to thank the pastors, District, and Conference Staff for their interest and co-operation in our work of Christian education.

Mrs. Roy Scales, our new Conference Director of Children's Work, has retained a high quality of work in the Children's division—153 vacation schools were held, reaching 7,332 persons, the enrolment in the Fellowship of Study has more than quadrupled.

Miss Margaret Davis, our new Conference Director of Youth Work, has stimulated and maintained interest in the youth program. The fourteen District Camps, the State Assembly, and the two Caravans reached more than 2,000 persons for at least a week of training in the Methodist Youth Fellowship.

Mr. William Schuhle served as Conference Director of the Methodist Student Movement. We have an active program for Methodist students on every college campus in the State. Our Board appropriation for student work totals \$2,175.00, which is divided among eight colleges.

Rev. Henry A. Rickey and Rev. Jolly B. Harper have led the adults to the threshold of a new day for adult work. The new program for adult work has vast possibilities for any local church, and the churches are beginning to use it.

Mr. A. F. Lanier in the Department of Church School Administration has worked to bring about a feeling of comradeship among the

general superintendents of the church school, and a realization of the importance of the office.

One hundred fifty-three churches gained an increased awareness of the church school by observing Church School Rally Day. The offering was larger than it has been for ten years.

Our Executive Secretary, Rev. G. W. Dameron, has faithfully and effectively promoted the entire program of the Board. In addition, he has personally visited 125 churches during the year, held conferences with 95 pastors, and taught in seventeen training schools.

We congratulate Dr. Pierce Cline for his efficient administration of Centenary College. The College maintains an A-1 rating with the Southern Association of Schools and Colleges. The enrollment has been reduced to 448, partly due to the war and partly to the loss of intercollegiate athletics. We do not feel that the abandonment of intercollegiate athletics has in any sense hurt the college. Instead a physical education program is being carried on that reaches many more students. The college continues to be self-supporting, and to live within its income. Over three hundred students are enrolled in night classes related to the war, and fifty students are graduated every sixty days in the pilot course. The general spirit on the college campus is very good.

II

We recommend the following emphases as our Conference Program for the new year:

We wish to co-operate in the United Christian Education Advance, to reach every available person with Christian teaching.

We wish to develop the following objectives—

I. Concerning the Home

- a. Every home should have a worship center, for prayer and Bible reading.
- b. The Home Department is a vital part of our Church's contacts with the Home. We neglect it to our peril.
- c. We would emphasize the neighborhood approach to the home, this year
 - (1) In arranging transportation to Church.
 - (2) Neighborhood gatherings for study and fellowship.
 - (3) Neighborhood meetings of parents, using the study courses for parents in "The Christian Home."

II. Concerning the Church

- a. We must carry on intensive visitation evangelism efforts, to keep in touch with our shifting population.
- b. We must train our rapidly changing corps of teachers in the Church School.
- c. We must make strenuous efforts to contact and minister to the needs of our young people. They need the ministry of the Church during these trying times.

- d. We should make a wider use of tracts to inform and inspire our people.

III. Concerning the Community

- a. We must work together with other churches and character-building agencies, for a more Christian community.
- b. We must work out an adequate ministry to our young men in military service, and to the homes from which they have gone.
- c. In many cases, the Methodist Churches should sponsor Boy Scout Troops, and guide their activities under Christian influences.
- d. We must lead our people in their thinking on the bases of a just and durable peace.

We believe that our great Louisiana Conference of Methodism can make a definite impact on our State, through these channels.

FLOYD B. JAMES, Treasurer

BOARD OF HOSPITALS AND HOMES

I

We have had before us the report of the President of the Board of Directors and the Superintendent of the Louisiana Methodist Orphanage and we are happy in the fine work being done by the Board of Directors, Rev. C. B. White, and his splendid staff of co-workers.

The President's report is as follows:

BOARD OF DIRECTORS OF ORPHANAGE

The affairs of our Orphanage are in good condition and our work seems to be advancing nicely. The children have been in good health and seem happy and contented. They do well in their school work and progress is noted in every department of school activity.

The religious life of the Orphanage children is looked after in a commendable way. They attend Sunday school and church regularly in town; also a Sunday school is maintained on the grounds for the smaller group.

The buildings are all in excellent condition, with a number of repairs and improvements having been made during this year. We suffered the loss of two big barns and a grinding shed by lightning in early summer, but these were rebuilt and all paid for. In addition to this, over \$4,000 was spent on other repairs and improvements.

The building committee is still working on the matter of raising funds toward the erection of a chapel and office building, also an infirmary. Some money is on hand and is being invested in War Bonds.

Our Superintendent's report to the Board of Directors at its meeting last month gives a detailed account of all the affairs of the Institution. This report will accompany this Board's report to the Conference and it is hoped that all the Methodists of the State will read this report.

The Orphanage has thirteen boys and girls in college at this time, and fifty in high school and seventy-seven in the grammar school. We are turning out boys and girls from the Home with good principles and high ideals that make worthwhile citizens. Many of the children occupy places of leadership in the public schools and the church. Those who have gone out into the world for themselves have a very fine record as law-abiding and high-class citizens. We have yet to note any of them having a criminal court record or bad standing in any community.

The Board of Directors re-elected J. H. Mays and T. L. James as members of the Board, and we request the Louisiana Annual Conference to confirm these two members. Two new members were elected to the Board, namely, J. C. Ritchie and B. H. Rainwater of Ruston, and the Board requests the Louisiana Annual Conference to confirm these two new members.

The Board of Directors of the Louisiana Methodist Orphanage recommended that the Louisiana Annual Conference elect as ex-officio members to the Board of Directors of the Louisiana Methodist Orphanage the State President and Secretary of the Woman's Society of Christian Service.

We request the Bishop to re-appoint C. B. White as Superintendent of the Orphanage and Rev. R. W. Vaughan as Superintendent-Emeritus. We request the Conference to set aside the usual Orphanage Days—Easter Sunday in the spring, and Harvest Day, the second Sunday in October, in the fall.

T. L. JAMES, President

RECOMMENDATION AND RESOLUTION

We, your Conference Board of Hospitals and Homes, recommend the adoption of all recommendations made by the Board of Directors in this report.

The following resolution was presented by Rev. C. B. White for our records,

"Resolution of the Louisiana Annual Conference of the Congregational Methodist Church."

"We the Louisiana Annual Conference of the Congregational Methodist Church hereby adopt the Louisiana Methodist Orphanage at Ruston, La., as our orphan home by supporting it with our offerings. This we do in order that we may be recognized should we have orphan children for an orphan home.

(Signed) A. H. BRUCE, President

THOMAS JENNINGS, Secretary

Rev. J. S. Legget of Many, La., was appointed to represent the Orphanage among their congregations."

A copy of the Superintendent's report, including the annual Financial report is herewith submitted without reading.

REPORT SUPERINTENDENT ORPHANAGE

From October 1, 1941 to October 1, 1942

To Dr. T. L. James, President, and members of the Board of Directors, of the Louisiana Methodist Orphanage, in regular session, Tuesday, October 27, 1942, Ruston, Louisiana.

Dear Brethren:

This is my fifth annual report as Superintendent of our great institution, and covers the period of our fiscal year, from October 1, 1941 to October 1, 1942.

We have had 179 children in the Home during the year, with 10 new children having been admitted and 39 being permitted to leave. The present enrollment is 140. It became necessary for us to decrease the enrollment; this was required by the Department of Public Welfare in order to meet the requirements toward securing a license for operation. We were required to place every child in a single bed. In order to do this we were compelled to reduce the enrollment, for it takes a great deal more room for two single beds than one double.

Our children are doing well in their school work. We have 13 in college, in La. Tech, and there are 50 in Ruston High School, 14 in the seventh grade in the Eastland Grammar School in town, 63 in our school through the sixth grade here on the campus. There are only two pre-school age children. We have been blessed with good health among our group. We are grateful indeed to our Heavenly Father for his tender care over us.

I am happy to report that our work has progressed well during the year. We had the misfortune of losing our two big barns and grinding shed by fire from lightning. However, I am glad to report

that the buildings are now built back and are in even better condition than before.

In addition to rebuilding the barns and grinding shed the following improvements and repairs have been made: Painted the Farm Manager's home; new floors in girls' building; new putty on all windows of girls' building, also weather stripping on the north side of the third floor windows; doors, lockers and cases repaired; new shades in four wards of the girls' building, also two new study rooms arranged on third floor of the girls' building; new single beds for all the girls, also newly renovated mattresses; two girls' rooms fitted outright with new shades, curtains, bedspreads and pillow cases; quite a number of new tables and chairs in all the buildings. The three boys' buildings have been repaired—the back porches were re-roofed, also the main roofs were repaired; the halls, dining rooms, bath rooms and matrons' rooms were painted; all doors, lockers and cases were repaired; new single beds for all the larger boys, also newly renovated mattresses for all. Fire escapes have been added to the girls' building. A new six-inch sewer line was placed throughout the property to replace the old inadequate four-inch line; our entire sewer system is now linked with the city main line instead of private septic tanks as previously used. Our road to the dairy barn has been gravelled during the year. Dental parlor equipped with all necessary fixtures, and two Dentists come to the Home weekly to render necessary service.

This has not been a good year agriculturally. However, we have been blessed with fine gardens, and even though the fall drought has injured all fall plantings, we will have some vegetables, since we were able to irrigate.

We endeavor to train our children in the Christian way of life, They attend Church and Sunday School regularly; we have prayer meeting in the Home three times a week. We also have our own Sunday School on the campus for the smaller children.

Our financial condition is shown in the following statement:

BOARD OF HOSPITALS AND HOMES

II

We, your Board of Hospitals and Homes, submit the following report No. 2:

FIRST: GOLDEN CROSS

We are appreciative of the privilege afforded us in the use of the Golden Cross Funds for the support of hospital chaplains. We have before us reports from the various chaplains serving throughout

the Conference and are gratified by the effective ministry of these men. We commend the Shreveport and New Orleans Districts in their maintaining of a full-time chaplain and urge other districts to do like-wise if the need demands it.

WE RECOMMEND:

- (1) That each District Superintendent appoint a Golden Cross Committee to serve in his District, with the Golden Cross Directors acting as Chairman and Treasurer of the District, subject to the approval of the District Conference. That the names of these Directors be sent to the Conference Director of Golden Cross immediately after appointment. That said District Chairman make an annual report to Mrs. H. H. Hoff, Conference Director of Golden Cross, 3724 Pitt St., New Orleans, La., not later than thirty days before the meeting of the Annual Conference, of all money raised and spent in the Districts.
- (2) That each District Golden Cross Treasurer retain ninety-seven (97%) per cent of all Golden Cross money collected to be used in support of the hospital chaplain of their respective Districts or co-operative Districts; the remaining three (3%) per cent to be sent to Mr. Edgar E. Cayard, 1606 Bodenger Blvd., New Orleans, La., Conference Golden Cross Treasurer. One (1%) per cent of this three (3%) per cent is to be forwarded to the General Board and the remaining two (2%) per cent to be used for Conference Golden Cross promotional work under the direction of the Conference Board.
- (3) That an earnest effort be made to pay the salary of the chaplains monthly.
- (4) That the week beginning the second Sunday in May be specifically set aside as Golden Cross Week, in accordance with disciplinary provisions, and that collections be taken in every pastoral charge for the support of our hospitalization program.
- (5) That the following apportionments be made to the several Districts for the support of the Conference Golden Cross hospitalization work.

SECOND: MEMORIAL MERCY HOME

The ministry and care for the unfortunate girls of this section continues to be a challenging avenue of service to our Louisiana and Mississippi Methodist and we are happy to note from the report of Rev. J. G. Snelling, Superintendent, that this challenge is being met with the highest degree of efficiency. Rev. Mr. Snelling, Mrs. Snelling and a very efficient corps of worker have done a most excellent work.

We also commend the women of the Christian Churches of New Orleans who are organized as the Memorial Mercy Home Hospital Auxiliary, who are active in providing five student nurses scholarships at the institution.

A copy of the annual audit report has been furnished our committee and the financial affairs of the Home are in good condition. A summary of the year's work is as follows:

BOARD OF LAY ACTIVITIES

The Board of Lay Activities is charged with the responsibility of assisting in the promotion of the whole program of the church.

The state of affairs now existing around the world is proof of the spiritual decay that existed, eventuating in the present world conflict. As laymen we are conscious of the fact that in our group the Christian spirit has not been sufficiently dominant to produce a world that can live in peace.

A great responsibility rests upon our organization to help in bringing to leadership throughout the land men and women dominated by Christian principles.

In the reconstruction era that must eventually come Christian

Laymen will have an opportunity for world wide building on a scale never before equaled. We urge all agencies of the Church to begin now the planning for the day when we can again take the gospel to all the world, remembering that, as we exemplify the message, will its worthiness of adoption be appraised.

We recommend that Laymen's Day be fixed as February 21, 1943, and that the theme for the day be "Methodist Men in World Reconstruction." We further recommend that Laymen's Week be used in preparation for Dedication Week.

Judge E. L. Walker of Ruston is nominated as Conference Lay Leader, and his election is recommended.

BOARD OF MISSIONS AND CHURCH EXTENSION

I

We, your Board of Missions and Church Extension, wish to submit our report No. 1 as a joint report with the Board of Education recommending the following:

In view of the fact that we now have over eight hundred students, and in normal times have at least fifty percent increase over that number at the Louisiana State University; these coming from every part of the State, and from many other states and foreign nations; further that the Roman Catholic and the Episcopal Churches are erecting magnificent buildings for their youth organizations on the Campus; also the responsibility for building an adequate Church and Student Center is too great for the Methodist Constituency of the University, we recommend the following action:

(1) That a lot be secured at the earliest possible moment off the campus of Louisiana State University.

(2) That a Commission be appointed by the Bishop to work out details of procedure as to the campaign for raising funds sufficient to build a representative Church to serve the Methodist Constituency of the University and community.

(3) It is the opinion of our group that the work should be started at the earliest possible moment.

II

During the past year, we have emphasized the need of increased payments to World Service. We are gratified that the Conference record this year reveals an increase, which will benefit all of our program. We urge especially those charges that do not accept all of their apportionments, to make as large an increase as possible

in the coming year, to enable the Conference to register as a whole a 25% increase.

With a world engaged in a global war, we believe it to be the time to study and preach missions, and to proclaim the redeeming power of the Gospel of Christ.

We call attention to the splendid missionary materials published and available through the General Board, and urge the local churches to organize their local Boards of Missions and utilize the present opportunity of intensive work in the local churches, in a day when large mass gatherings will be difficult because of gas rationing and war conditions. We have in the Conference several very successful local church boards, notably at Monroe and Shreveport First Churches.

In the field of Church Extension, we call attention to the need at this time of settlement of debts, improvement and beautification of church property, and adequate insurance.

We have profited by the presence of Dr. Karl K. Quimby, of New York, and Dr. B. P. Murphy, of Louisville, and Bishop Edwin F. Lee, of Singapore, who have visited and spoken to the Conference.

Bishop Lee will be our special guest the week of Jan. 4-8 in District Missionary Rallies, in the following schedule:

New Orleans, Monday, A.M., Jan. 4
 Baton Rouge, Monday, P.M., Jan. 4
 Alexandria, Tuesday, Jan. 5
 Monroe, Wednesday, A.M., Jan. 6
 Ruston, Wednesday, P. M., Jan. 6
 Shreveport, Thursday, Jan. 7
 Lake Charles, Friday, Jan. 8

We invite the other Boards and interests of the church to join in these programs.

We request the appointment of Rev. V. D. Morris as Conference Missionary Secretary.

We submit the following Resolution for Conference adoption:

RESOLUTION

Whereas, the Louisville and Philadelphia branches of the General Board of Church Extension have both established a Revolving Loan Fund which makes possible loans under a more liberal plan than is possible under the established Loan Fund Capital, and

Whereas, the General Board advises the establishing of Revolving Loan Funds in the Annual Conferences,

Therefore be it resolved (1) that the Louisiana Annual Conference instruct the Church Extension Section of the Louisiana Conference Board of Missions and Church Extension to establish a Revolving Loan Fund of \$500.00, (2) that this sum be taken from the regular Loan Fund Capital and the Loan Fund Capital be reduced

BOARD OF TEMPERANCE ND SOCIAL SERVICE

We, your Board of Temperance and Social Service, after careful consideration and examination recommend that our Conference endorse "The Louisiana Moral and Civic Foundation." This State

organization incorporates into one body all Temperance and Moral forces working in Louisiana. The primary purpose of The Louisiana Moral and Civic Foundation is to create and promote moral and civic responsibility in all citizens of Louisiana in every sphere of life.

We earnestly request that every citizen of Louisiana who believes in sobriety, law observance, law enforcement, civic improvement, and high moral living become a member of this movement. We further recommend that our Methodist churches include the Louisiana Moral and Civic Foundation in their annual budgets.

We recommend that this Annual Conference set January 17, 1943, as Louisiana Moral and Civic Foundation Day; that the organization be presented to the congregations that day and an offering be taken all of which is to be sent to Rev. M. M. Snyder, 1013 Dante Street, New Orleans, Louisiana. We ask that the results of the observance of this day be reported immediately to the Secretary, Mrs. H. H. Hoff, 3724 Pitt St., New Orleans, Louisiana.

In conclusion, we recommend that all members of the Louisiana Annual Conference, who are, or shall be, members of the Executive Committee or Committee of One Hundred in the Louisiana Moral and Civic Foundation, be and are hereby members of the Board of Temperance and Social Service of this said Conference.

COMMISSION ON EVANGELISM

The only evangelism worthy of the name is one so deep, so divine and intensive that it changes life to the very core and compels men to "Crown Jesus Lord of All", no matter where that may lead, no matter what may be the cost. Then these fearless, free, and redeemed men and women of God will carry His Spirit into every social situation, into all wrong, injustice, greed, and sin, to destroy the forces that break human life and frustrate the will of God.

We submit the following recommendations:

FIRST: Since the youth of our land are called upon to bear the brunt of war and military training and since the hope of the church is in them, let us determine that we shall win and keep them for Christ.

SECOND: Since there are thousands of little children in Louisiana who have not been dedicated to God by our Holy Ministry, let us set ourselves to double the number of infant baptisms in Louisiana next year, thus opening the doors in many cases to new homes for Christ and the church.

THIRD: Since there are so many adults outside the Kingdom of God, lost in sin, lost to useful living, in sorrow and misery, disturbed and defeated by life's problems, let us boldly and courageously claim them for Christ. To neglect them is to invite defeat for the Church

and for our type of civilization. To win them is victory for God's Kingdom and for our country.

FOURTH: Since the Church School is our most fruitful field of evangelism, let us determine that it grow in enrollment and in consecration. Let us urge our teachers, officers, pastors and parents to more consecrated Christian living that we may better teach God's Word, lead more children to a public acceptance of Christ as their personal Saviour and train them to become soul winners themselves.

FIFTH: Since Christ is the Head of the Christian Home and since the Christian Home is the foundation of the Church, let us again erect the family altar in our Methodist homes. We urge the use of Upper Room and the Holy Bible in family worship.

SIXTH: Since in prayer we are privileged to spend a time in God's presence, since it is in prayer that we find God's will, since prayer is the source of power with which we can be victorious in our Christian living, let us lead our people to prayer and to continuing or starting again the mid-week prayer meeting.

SEVENTH: Since the practice of stewardship leads to great spiritual awakenings and since through the World Service program we invest our offerings most wisely, let us set ourselves to the task of paying our World Service askings in full and observing every Fourth Sunday as World Service Sunday and send our offerings promptly to our Annual Conference Treasurer.

EIGHTH: We recommend that our ministers observe the order of worship, especially in giving the invitation to Christian Discipleship.

NINTH: Since there is set up in each of our districts a District Commission on Evangelism, we suggest that the District Superintendent make wide use of this organization in starting new church schools, in holding mass meetings, in making surveys, and in assisting churches in their evangelistic effort in the fast-growing defense-projects areas and in neglected and unreached areas.

In closing let us say, since evangelism is the multiplication of the number of Christians by any method, let us move forward on all fronts.

Modern evangelism must therefore present a great Saviour in a great variety of ways in answer to a great need of a confused, war-torn and distraught world, and then, as in times past, there will be a great response.

COMMITTEE ON COURTESIES

The Ninety-Seventh Session of the historic Louisiana Annual Conference has greatly enjoyed the hospitality of the historic city of New Orleans. In war times entertainment perhaps is not as easy as at other times; but, the First Methodist Church through the cooperation of Methodism of the city has not failed in one particular of complete, generous, and cheerful provision for all our needs.

We express to Dr. N. H. Melbert, Pastor of the First Methodist Church, and to all cooperating committees and agencies, our grateful appreciation of the complete provision for our needs. We express our appreciation also of the reporting of our proceedings by the local daily press. Especially grateful are we to the Vogue Flower Shop for the beautiful flowers placed daily in the Church. The Conference has enjoyed the beautiful music provided by the choir with

Mrs. Bertrand Kiern presiding at the organ, and we are grateful for this contribution to our meeting.

The First Methodist Church has provided entertainment for the Superannuate members of the Conference, and for all those coming up for admission on trial, and we desire to thank them for this gracious courtesy. We also thank the hotels of the City for the courtesies extended to the members of the Conference and to the various local Churches for defraying the expenses of their pastors and Lay delegates.

We pray God's blessings upon New Orleans Methodism and upon all the forces of righteousness in this great City.

COMMITTEE ON MINIMUM SALARIES

We, your committee on Minimum Salaries, wish to state that the suggested plan of last year has been helpful in every district where given a fair trial. But it still leaves much to be desired. In order that we might promote this work further we make the following recommendations:

We recommend that every effective preacher, either in full connection or on trial, be assessed an amount equal to one percent of his cash salary, received, including missionary appropriation, and that the minister present this plan before his Board of Stewards or his Official Board, and ask them to accept, if they will, the amount equal their minister's assessment.

We recommend that these funds be distributed by the Conference Treasurer, under the director of the district superintendents, so as to bring assessed salary and appropriation of every effective minister on trial or in full connection to twelve hundred dollars.

We recommend that the district superintendents and the Conference Treasurer be a committee to collect, to allocate, and distribute these funds throughout the Conference and that Dr. W. L. Doss, Jr. act as chairman of the committee.

We recommend that no pastor participate in the distribution whose charge reduces the salary below that paid the previous year, unless approved by the Conference Board.

We recommend that a column be provided in the statistical tables of the Conference Journal to show amount paid to this fund, and that provision be made to show payments by connectional men and district superintendents.

We recommend that this plan be presented by the district superintendents at the first Quarterly Conference, with the suggestion that each congregation, if it will, accept an amount equal to their minister's assessment.

COMMITTEE ON WORLD PEACE

We, your Committee on World Peace, feel that our post-war world and the atmosphere in which the peace terms will be made are in the making now by our present decisions, conduct and attitudes.

We feel, therefore, that the Church of Christ ought to lead the way in keeping alive in the hearts of her people the passion of Jesus Christ for all humanity. We believe, also, that the Church ought to lead the way in these times, first, in assisting her people to be morally secure, recognizing not only our nation's share of guilt but also our share of guilt as Christians for the present state of world affairs; second, to the intellectually honest, rightly distinguishing between right and wrong; and, third, spiritually steadfast, recognizing that although war is not of God's doing he is, nevertheless, active in it, revealing the poverty of materialism and the richness of religion; comforting the grieving, cheering the lonely, and revealing the ways of goodness in the midst of an evil world situation.

We believe, further, that our people ought to be an informed people if a just and durable peace is to be achieved. We, therefore, recommend the World Peace Commission of the Methodist Church at 740 Rush Street, Chicago, Illinois, as the source for such material.

We believe, further, that a renewed enthusiasm and a rededication of our best resources to the Christian missionary enterprise, one of the greatest agencies for good will and international brotherhood under the Fatherhood of God, is essential. We believe that, if we have a duty to this hour of winning the war, we also have a greater duty tomorrow of winning the peace in the name of Christ.

We feel that, when the last shot is fired and the threat of further military aggression is over, the clock of destiny will strike not for the nations of the world but also for the Christian Church. If the Church is not to fail in her task she must be prepared to act at this

time in the name of her Founder, Jesus Christ, or else forfeit her place of moral, ethical and spiritual leadership.

REPORT AND RECOMMENDATIONS FROM THE LOUISIANA CONFERENCE OF THE METHODIST EPISCOPAL CHURCH, SOUTH, TO THE LOUISIANA ANNUAL CONFERENCE OF THE METHODIST CHURCH, SOUTH CENTRAL JURISDICTION

The Louisiana Conference of the Methodist Episcopal Church South, which is a dully incorporated legal entity, respectfully presents this report to the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, at its meeting held on November 10, 1942.

The unification of the various churches into the Methodist Church and the organization of the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, as the active and existing legal body representing the church, necessarily brings about some complications in the organization and existence of the various corporations which are carrying on the work of the Church in the State of Louisiana. The various charters were, of course, drawn so as to place those organizations under the direction of the Methodist Episcopal Church, South, and, therefore, necessarily certain changes must now be made. In the framing of the various charters for the organizations which are operating in connection

with the Church in Louisiana, no consistent and fixed policy has been followed. Some of them are inheritances from other and alien organizations, others are antiquated and obsolete. Still others have apparently been amended and cross-amended in such a manner as to completely confuse their meaning. Very few of these charters have been amended so as to make them conform to the new situation brought about by the Methodist Union.

We, therefore, recommend to the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction:

1. That a Board of Trustees be duly elected by the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, and be duly incorporated under that name under the laws of the State of Louisiana as a non-trading corporation for the purpose of receiving and handling bequests, trust funds, buying and selling and transacting any and all other business which may be properly required, all as is indicated by Paragraph 791 and Paragraph 794 of the Discipline of 1940.

2. That proper steps be taken as soon possible to amend the charter of the Louisiana Conference of the Methodist Episcopal Church, South, duly incorporated pursuant to an act of the Legislature of the State of Louisiana, so as to provide that the Trustees of the Louisiana Annual Conference of the Methodist Episcopal Church, South, shall be nominated and elected by the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, and that all rules, by-laws and regulations deemed proper for the management of said corporation and all action taken by it shall be in conformity with the laws and regulations of the Methodist Church.

3. That the Charter of every institution, organization and corporate body (except the Louisiana Annual Conference of the Methodist Episcopal Church, South, referred to in Paragraph Two [2] above) existing in the State of Louisiana under the auspices of, and for the benefit of, the Methodist Church be promptly amended so as to provide for the nomination and election of all directors, trustees or managers by the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, and so as to provide that the said corporation shall be operated in conformity with, and all rules, regulations, by-laws and action of said organization shall be in conformity with, the Discipline Laws and Regulations of the Methodist Church, or, in the alternative, and only in the event that it is found impracticable to amend the charter of any organization, institution or corporate entity operating under the auspices of and for the benefit of the Methodist Church in the State of Louisiana, then and in that event, a new corporation shall be immediately organized and incorporated under the laws of the State of Louisiana, and all property and assets belonging to the existing corporation shall be immediately transferred to the new

corporation which shall be organized under and pursuant to the rules, regulations and Discipline of the Methodist Church, and shall provide that all directors, trustees or managers shall be nominated and elected by the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction.

(b) That the said charter as amended, or the new charter of the corporation as organized, shall provide that no assets held by the said corporation may be sold, alienated or encumbered without the approval of the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, previously granted; provided, however, that such restriction shall not apply to sales, encumbrances or alienations of less than ONE HUNDRED (\$100.00) DOLLARS, or interfere with the handling of any specific trust, where the conditions thereof are fixed.

(c) That no amendment of any charter as hereinabove set forth, and no new charter, shall be completed until it shall have been approved by the "Committee of Conferees", hereinafter provided.

4. That the Conference Treasurer be instructed to withhold the payment of any funds directed to, or which inure to the benefit of, any organization, institution or corporation under the auspices of and for the benefit of the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, until its charter shall have been corrected, amended or renewed, and all of the conditions herein set forth shall have been met. Provided, however, that if, for any reason, it appears to be impossible to carry out the necessary amendment or renewal of charter as herein set forth, then and in that event, upon the approval of the committee hereinafter set forth, such organization, corporation or institution may be excepted from this prohibition and the Treasurer authorized to pay such funds until the next meeting of the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction.

5. That R. H. Harper, W. L. Duren, B. H. Andrews, A. M. Freeman, E. C. Gunn, J. J. Davidson, Jr., and Judge E. L. Walker, be appointed and constituted a "Committee of Conferees" on behalf of the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction, with full authority to approve the compliance of all corporations, institutions and organizations with the recommendations and instructions hereinabove provided, and upon such compliance, to instruct the Treasurer of the Conference to release the funds allocated to such corporation, organization or institution.

6. That after the completion of the amendments or renewal of the Charters, hereinabove provided, no change of any kind shall be made in any of said charters, unless and until such change or amend-

ment is first approved by the Louisiana Annual Conference of the Methodist Church, South Central Jurisdiction.

Respectfully submitted,

LOUISIANA ANNUAL CONFERENCE OF THE
METHODIST EPISCOPAL CHURCH, SOUTH

MEMOIRS

REV. J. B. WILLIAMS

The Louisiana Conference never had a more loyal, faithful and unselfish preacher than J. B. Williams. Jesus said: 'He that would be greatest among you, let him be servant of all'. Measured after this standard, "Brother Bloss", as he was affectionately called, merited and occupied a place in the top rank of our outstanding ministers. Measured after this standard he was truly a great man.

He was great in his humility. It was in deep humility that he surrendered his life and his all to God. He never forgot the fact that he was God's minister. He walked humbly before Him and was ever conscious of His presence. "He never thought more highly of himself than he ought to think." Even when called upon to exercise the authority of his office he was always kind and considerate. He had nothing of the spirit of the overlord or dictator. Yet with all his humility he dared to do the right as he saw it, regardless of the consequences. He was a humble man, yet courageous and unafraid.

He was great in his simplicity. He was simple in all his habits, his dress, his food and his manner of life. He never made any attempt at being showy or spectacular. His sermons were as simple as the Sermon on the Mount. He preached to his congregation rather than to his subject. The children of the congregation knew what he was talking about. The objective of his preaching was much more than imparting information; it was to bring comfort, inspiration and help to all who heard. The simple ministry of this good man, both as pastor and preacher, will have its influence far beyond those immediately affected by it.

He was great in his sincerity. More than once he was appointed to a charge where confidence in the minister needed to be restored. At the time this was the greatest need. The people were wondering if all the preachers were like the one who failed them and had gone so far astray. The church was disrupted and the shortcomings of the preacher was the gossip of the community. Invariably the Bishop and his cabinet would turn to brother Williams as the man who could most easily restore confidence and correct the great harm that had been done. Everybody loved him and trusted him. His simple sincerity always inspired confidence.

He was great in service, in the length and quality of it. During the forty-six years of his active ministry in the Louisiana Conference he served the following churches and in the order named: Wesley Circuit, Haughton, Pleasant Hill, Pelican, Lisbon, Gibsland, Bienville, Grand Cane, Lisbon, Clinton, Ponchatoula Many, Rayne, Lake Charles District, Coushatta and Plain Dealing. He retired at the Winnfield Conference, Nov. 23, 1933, on his 75th birthday. The last eight years of his earthly life were spent at Many, La. During these years of retirement he preached often, taught a Sunday school class regularly and ministered to many. For fifty-three years this good man gave himself without stint to the love task of helping people and building the Kingdom of God in the earth.

He was great in his friendships. He practiced, whether consciously or unconsciously, the teachings of Jesus: "He that would have friends must show himself friendly." He had a large place in his great heart for many people—and there was always room for more. He was making new friends up to the day of his death. He cherished no grudges. He could pray with sincerity and assurance—"Forgive us our trespasses as we forgive—". His going has left us with a deep sense of loneliness. We miss him very much.

He was great in his fidelity. He was faithful to every trust. He went to his appointments without murmur or complaint. He was thoroughly dependable and reliable. He was true to his word and people believed him, and believed in him. He was not only a gospel preacher and a diligent pastor, but he was a real man whom people honored, respected and loved.

He was great in his faith. Like St. Paul he knew in whom he had believed and he was fully persuaded that God was able to keep that which he had committed unto Him against that day. He had a great faith; a faith that vitalized the gospel he preached; a faith that challenged the best that was in him to give of this best wherever the need was greatest, regardless of the cost, and all the sacrifices he might have to make; a faith that gave certainty to his ministry of sympathy and consolation. This faith gave him victory in life and triumph in death. J. B. Williams was truly a great man.

He was born in Claiborne Parish, near Lisbon, on November 23, 1858. He died at Many, La., on April 27, 1942. He joined the Louisiana Conference in 1888 and served as active itinerant for forty-six years. He was first married to Miss Judy Autrey. Of this union there are four surviving children: Calvin Williams, Gouver, Texas; Louise Williams, Ruston, La.; Mrs. Verna Clark, San Francisco, and Keener Williams, Houston, Texas. His second marriage was to Mrs. Leila Curl Cameron on February 5, 1913. She was to him a true helpmeet indeed. She survives him and continues to live in their home in Many, Louisiana.

W. W. HOLMES

REV. J. B. BLACKBURN

Born in Claiborne Parish, Louisiana, on April 8, 1870, Rev. J. B. Blackburn died in Shreveport, Louisiana, in his seventy-second year. He was married in 1893 to Eunice Amanda Ritchey, daughter of Mr. and Mrs. B. H. Ritchey of Utica, Mississippi, who preceded him in death. He is survived by nine of ten children—J. A. of Los Angeles, C. B. and H. H. of Shreveport, P. D. of Dallas, Texas, M. V. of Magnolia, Arkansas, Mrs. E. M. Pittman of Homer, Louisiana, Mrs. R. P. Dunnaway of New Iberia, Louisiana, and Mrs. J. C. Ferguson of Fort Wayne, Indiana.

He began his ministry in 1900 and served charges in Louisiana, Arkansas, Mississippi, Missouri, and Texas. Admitted into the Methodist Protestant Conference in 1908, and retiring in 1940, he held pastorates in Arkansas, Louisiana, and Texas. He spent his retirement in his home near Homer, Louisiana, ministering tenderly to his wife until she was relieved from long illness when God called her home on November 17, 1940. He did not long survive her. Influenza and pneumonia brought his death. His funeral was held from the First Methodist Church in Homer, Louisiana, with interment in Arlington Cemetery there, Rev. W. H. Giles, pastor, and Dr. D. B. Raulins, District Superintendent, officiating.

Brother Blackburn was a preacher of noticeable ability, had strong convictions and freely affirmed them. He was loved wherever he served because of his whole-hearted service rendered. Approaching the age of retirement, Brother Blackburn never gave up the idea that he was yet to see much more active service. He was old enough to dream and still young enough to see visions. God's Spirit never superannuates and the toils of the journey will seem as nothing if the cross is exchanged for a crown. We invoke the blessings of God upon the sons and daughters who survive him.

J. W. LEE

MRS. L. W. CAIN

On February the 23, 1942, the spirit of Mrs. L. W. Cain left its earthly abode and took its flight to its eternal home. Born on February the 2, 1872, in Clarksville, Tenn., Mrs. Cain was seventy years and twenty-one days old when the call of God came for her entrance into the house not made with hands. She was a daughter of the parsonage. Her father was Rev. Dempsey William Ward, who was a charter member of the North Alabama Conference. Her mother was, before marriage to Rev. Mr. Ward, Miss Louise Haygood, a cousin of Bishop Atticus G. Haygood. Mrs. Cain received her education in the Huntsville Female College, Huntsville, Ala. There she was a close friend of the family of the college President and spent much time in his home.

On May 11, 1890, she was married to Rev. L. W. Cain in th.

Methodist Church in Scottsboro, Ala. Eleven children blessed this home. Of these two preceded her on the long journey. These were G. W. and N. D. Cain. The following still live: L. W. Cain, Jr., Austin, Tex., Mrs. R. E. Bryson, Tyler, Tex., Mrs. B. G. Coleman, Jasper, Ala., Mrs. L. H. Conger, Morehead, Miss., Mrs. H. R. Babbington, Meadville, Miss., Mrs. W. J. Marks, New Orleans, La., Rev. A. Jerome Cain, Urania, La., Mrs. G. O. Day, Denham Springs, La. and Rev. W. Ralph Cain, student in Southern Methodist University.

Mrs. Cain was a positive Christian. She won many friends and had no enemies. Her home life was beautiful and she exerted a wholesome and uplifting influence upon her children. This is evidenced by the fact that two of her sons have followed their father and grandfather into the ranks of the Methodist itineracy. Her whole life was spent in the home of a Methodist preacher. Most of this was in a Methodist parsonage. She knew the joys and hardships of the family of an itinerant Methodist preacher as few have had opportunity of knowing these. She had the very unique experience of having her father, her husband and her son as her pastors. It was only while her husband served the Baton Rouge District and for the few months' between the last session of the Louisiana Conference and the time of her going away that she had a pastor who was not of her own family.

In writing of her one has said, 'She loved her church with a passion and was active and efficient in its work.' She was 'always a great stay and help to her husband.' She suffered much during the last year of her life and was unaware of the serious malady that finally took her away. A little more than two months before her death, physicians diagnosed the trouble from which she was suffering and told her family that recovery was not possible, but that the time she would still live could not be determined. Loved ones ministered to her with greatest tenderness and solicitude until the Father called her home. She went away peacefully. Her body rests in the cemetery at Denham Springs, awaiting the glad Resurrection day. A good woman has finished her journey here and has gone home to be with God and all His saints.

MRS. S. D. HOWARD

Sarah Catherine Robinson, wife of Rev. S. D. Howard, was born Sept. 17, 1863. She was a descendant of prominent pioneer families who came from South Carolina and settled in Louisiana shortly after the Civil War. Her early life was spent on a Bienville Parish plantation and it was there that she met Rev. S. D. Howard who, prior to entering the ministry, was teaching in the community.

Mrs. Howard was a faithful, concientious and energetic pastor's helpmeet, serving many years in the Louisiana Conference. Since

Brother Howard's death in 1928, she has lived most of the time in her cozy, attractive, little home in Winnsboro, where she spent many happy hours in the care and culture of her flower garden, in which grew numerous floral specimens and rare plants. Mrs. Howard was a sweet and cheerful person, loved by all who knew her.

She is survived by two sons, two daughters and three grandchildren; Finis C. Howard, prominent merchant and civic leader in Winnsboro, La.; Burney E. Howard, Director of Dramatic Arts at Stephen F. Austin College, Nacogdoches, Texas; Miss Clara Howard, member of the faculty of DeQuincy High School; Mrs. W. L. Trenchard of New Orleans; Walter H. Trenchard, Aviation Cadet at Maxwell Field, Ala.; Sarah Catherine Trenchard, and Thomas Lee Trenchard of New Orleans.

"Blessed are the dead who die in the Lord from henceforth; Yea, saith the Spirit, that they may rest from their labors, and their works do follow them."

O. L. TUCKER
